creating sustainability in urban areas

ecoEdge™ Green Roof Drain Metal

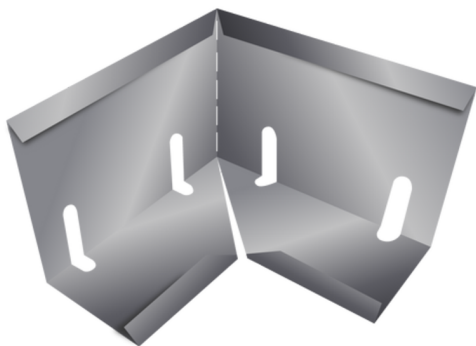

ecoEdge perforated drain metal is formed in 10 foot lengths. ecoEdge is made with a hem edge on both sides for added rigidity. Each piece is connected to the next with a union. Prefabricated corners match each ecoEdge height. ecoEdge comes in mill finish aluminum (standard) and stainless steel.

Technical Details:

- .063 mill finish aluminum
- Slot dimensions: .375 in x 2 in
- Manufactured in 2.5 in., 3 in., 4 in., 6 in. and 8 in. heights
